

# IMPORTANT CANDLE SAFETY TIPS

**1. Trim candle wick to 1/8" before lighting, and keep wick to 1/8" while burning. "Clip Your Wick" Wick Trimmers are available through Specialty Pet Products.**

**2. Always burn candle on a heat resistant surface, preferably on a heat and fire resistant candle holder.**

**3. Burn candle within sight, never on or near anything that can catch fire.**

**4. Do not let matches, wick trimmings or debris accumulate in the jar, as this could be a fire hazard.**

**5. If flame smokes, extinguish and trim wick to 1/8" before relighting.**

**6. NEVER leave a burning candle unattended.**
